Help secure the future of Martineau Gardens

www.martineau-gardens.org.uk

Welcome to Martineau Gardens' Friends' Scheme

We want to give all of our supporters the opportunity to be a part of our future by donating directly towards the Gardens' development, especially within this financial climate.

An autistic child tending their first seedling, a stroke survivor picking pears in our orchard, or you having a difficult day, Martineau Gardens provides a calm environment for everyone.

**If you care about the Gardens,
please help us by joining!**

"Martineau Gardens -where plants, people & wildlife meet."

Why Martineau Gardens Matters

This is a place where Birmingham people can connect to nature. To stop and think about environmental issues, to take a step towards a more sustainable lifestyle and to find out more about organically grown food.

We care for and protect the landscape of Martineau Gardens for the wellbeing of our visitors and volunteers and provide a safe haven for wildlife.

Your support for our charity will enable:

- Education and training
- Long term planning to secure the future of the Gardens
- Continuation of the Therapeutic Horticulture programme
- Events that inspire a love for all things green
