

## Newsletter Summer 2016

### Welcome to our Summer edition of the Martineau Gardens' Newsletter.

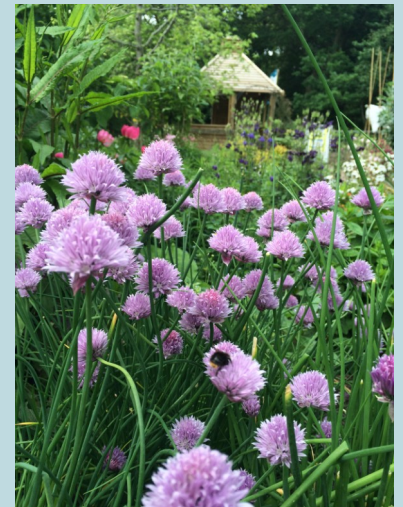

I'm delighted to announce that our recent Summer Garden Party event raised just over £10,000 - this was a tremendous evening of generosity with supporters donating items for the auction and raffle, guests bidding enthusiastically for lots and buying a record amount of raffle tickets (over 1,800!) and our volunteers and Steering Group giving up time to make the evening run so smoothly. Our

thanks to you all, and to Audley St George's Place for sponsoring the event, to Jeremy Thornton (Biddle and Webb and pro bono auctioneer) and Sue Roberts (Chair of Trustees). This means we have now raised £18,000 towards the refurbishment work, enough to start phase one this Winter. A renovated Pavilion helps to keep Martineau Gardens open and free for the people of Birmingham. If you'd like to know more about our plans, read this article on our website <http://bit.ly/29R2p90>

### What is Martineau Gardens?

Our Therapeutic Community Garden is looked after by volunteers, many of whom have

mental health issues or learning disabilities. Hundreds of school children visit the Garden to learn about science and the environment. Every year Birmingham people (now in their

thousands), visit the Gardens to enjoy its peace and tranquillity. We host events and courses and sell plants and produce.

## School discovers great tastes

Braidwood Trust School for the Deaf visited the Gardens recently to find out more about how food grows. They toured the vegetable growing areas and were encouraged to taste chives, baby broad beans straight from the pod and other tasty morsels. Pictured above, a brave pupil displays a look of surprise after sampling a raw rhubarb stick. (Please always check before you taste anything growing in the Gardens!)

## Green help from GE Healthcare

Staff from GE Healthcare Finnermore volunteered their time at Martineau Gardens recently on a range of tasks. One team began the task of stripping paint from the Pavilion, another gave our logs store a thorough spruce up and, pictured here, a group gets stuck in with weeding the borders in the car park

area. Our thanks for their hard work! We welcome partnerships with local businesses, find out more about corporate volunteering here: <http://bit.ly/2acYIWD>

**New Friends welcomed** Reading this and not a Friend? Isn't it time you joined?! Join online via: <http://bit.ly/1D8rlab> or at reception next time you visit.

## Wildlife news

To celebrate National Insect Week, we held a Family Minbeast Safari. There was a flurry of excitement when a Lesser Stag Beetle was found in the woodland. This species has been seen at the Gardens before, but only once or twice.
