Welcome to Martineau Gardens

...and to our 4th annual Summer Garden Party and Charity Auction. It is lovely to see so many friends here again this year and to welcome new guests. This year's event promises to be bigger and better than ever. That this event has become such a success is down to you and we thank you for your continued support which is so important to us and to the vulnerable adults who

volunteer here, making these Gardens beautiful. We are indebted to Jeremy Thornton from Biddle & Webb for his continued expert oversight of our auction and to the many individuals and businesses that have donated Lots for our auction and prizes for our raffle, some for the fourth year running. On behalf of the Board of Trustees of Martineau Gardens, I hope you have a wonderful time today.
