Direct transmission between individuals	Medium	<p>A one-way system will be in operation where everyone comes into the Gardens via the main path and leaves via the track.</p> <p>Social Distancing: Pupils to social distance where possible, including at lunchtimes. The class is split into 2 smaller groups for our sessions, which allows for more social distancing. Pupils will be from the same 'bubble', so should act in the same way as at school.</p> <p>We will ensure that activities do not involve close contact (e.g. holding hands) or pupils working face to face.</p> <p>Only 2 pupils at a time to be in the toilets for handwashing or toileting. Disposable paper towels will be available for hand drying.</p> <p>There is an antibacterial gel dispenser in the Welcome Shelter which should be used on entry to Martineau Gardens.</p> <p>It is also recommended that school staff carry antibacterial gel; tissues and bags for waste whilst around the site.</p> <p>Cleaning: Objects and surfaces that are touched regularly will be cleaned and disinfected before the start of each session. Chairs and tables, WC handles and taps will be regularly disinfected.</p> <p>Equipment, e.g. bug pots, will be cleaned between sessions and, where possible, pupils will not need to share equipment.</p>	Martineau Gardens staff & School staff	Ongoing

Cancellation of visits due to illness or school/centre closures.	Martineau Gardens staff, school staff, pupils.	Because of Covid-19, there may be a higher than normal risk of Martineau Gardens staff, school staff or whole school groups being unable to attend a visit.	Medium	<p>Schools should take into account that a member of staff may not be able to attend a visit, and plan for a replacement if possible (keeping in mind issues such as maintaining bubbles).</p> <p>If a key member of Martineau Gardens staff (e.g. Environmental Education Teacher) is unable to attend the visit due to ill health, Martineau Gardens will inform the school with as much notice as possible, as this may require the postponement of the visit.</p> <p>If the planned visit needs to be cancelled due to staff shortages (at the school or at Martineau Gardens) or closure of a school / bubble / Martineau Gardens, an alternative date will be sought where possible. If this is not possible, Martineau Gardens will not charge their usual cancellation fee.</p>	<p>School staff and Senior Management</p> <p>Martineau Gardens staff</p> <p>Martineau Gardens staff, school staff organising the visit.</p>	<p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p>
